# EPIC *Melody*

*Much more than you would expect.*

Imagine ambient sounds of nature featuring summer nights, shooting star, tropical rain, ocean surf, and summer breeze triggered with your STAR PANEL SYSTEM at your command in the comfort of your home. Calming and relaxing sounds which have been chosen for their ability to induce relaxation which nourishes and rejuvenates our health, mind and soul. A plethora of sounds including nature sounds like chirping crickets, waterfall, wind, thunderstorm, river, beach etc. which provide a hypnotic environment to relax. All of these sounds provide a sensation of relaxing and tension free atmosphere and can also remind us of some calm vacation which tranquilizes our mind and spirit.

The EPIC MELODY is a state of the art module that can trigger sound effects that synchronizes with the pre-programmed thunder, lightning and rain effects, etc.

The EPIC MELODY can either perform in standalone mode, or with a RS232 protocol which can be controlled by a third party control system or by the epic's, wall control, touch pad to produce sound effects on demand.

## *Featuring*
